SEE QUESTIONS BELOW – ANSWERS ARE IN RED TEXT

1. Is this a new solicitation or one that is being renewed.

A. This is a new solicitation

2. What is driving the need for such a service

A. The need is derived from the current unrest surrounding recent events of police brutality of people of color, injustice, political climate, and the need to ensure the college is creating and maintaining a culturally-sensitive environment for students, faculty, and staff.

3. How long do you want to have the sessions?

A. We would like approximately 8 hours of sessions total. Those 8 hours can be divided into 3-4 separate sessions.

4. Do you want to allocate for each of the leaders to be in coaching services?

A. The audience is approximately 45 leaders and equity council members in the college. We desire a plan for the college for top leaders that will help sustain a climate of cultural sensitivity and continual development.

5. Are you seeking to retain ownership of the content?

A. We are not seeking to retain ownership of the content of the training.
